### User Interface Designer
**iCommons**, Harvard University » Cambridge, MA
*November 2005 - March 2010*

Lead designer for iSites, a content/course management system for Harvard with a robust customization engine • Improved usability & accessibility of iSites with standards-based HTML and CSS • Created new iSites themes for schools and departments to use

### Web Developer
**RIT Libraries**, Rochester Institute of Technology » Rochester, NY
*November 2003 - November 2005*

Actively maintained and improved websites at RIT Libraries • Designed and built the Art on Campus (http://artoncampus.rit.edu) and What's in a Name? (http://whatsinaname.rit.edu) websites • Created materials and taught quarterly seminars open to students, faculty and staff

Prior experience also includes work with **Element K** (Rochester, NY), **NetSetGo** (Rochester, NY), **Eastman Kodak** (Rochester, NY), **Xerox** (Rochester, NY) and multiple freelance projects.

## Patrick Haney
is *not* a sausage.

He's a designer with a development background, an educated leader and an accomplished speaker, and enjoys participating in his local design community.

Patrick is currently a board member of the UPSTNY chapter of AIGA, and previously of the Boston chapter.

A sample of Patrick's recent work can be seen on Dribbble (*with more portfolio work available upon request*):

dribbble.com/notasausage

**Location**: Brighton, NY
**Email**: patrick@hanerino.com
**Web**: http://patrickhaney.com
